3. Representations and Warranties. I represent and warrant to the Company that:

(a) I (i) have adequate means of providing for my current needs and possible contingencies and I have no need for liquidity of my investment in the Shares, (ii) can bear the economic risk of losing the entire amount of my investment in Shares, and (iii) have such knowledge and experience that I am capable of evaluating the relative risks and merits of this investment; (iv) the purchase of Shares is consistent, in both nature and amount, with my overall investment program and financial condition.

(a) The address set forth below is my true and correct residence, and I have no intention of becoming a resident of any other state or jurisdiction.

(b) I have not utilized the services of a "Purchaser Representative" (as defined in Regulation D promulgated under the Securities Act) because I am a sophisticated, experienced investor, capable of determining and understanding the risks and merits of this investment.

(d) I have received and read, and am familiar with the Share Documents, including the Memorandum and the forms of certificate for Shares. All documents, records and books pertaining to the Company and the Shares requested by me, including all pertinent records of the Company, financial and otherwise, have been made available or delivered to me.

(e) I have had the opportunity to ask questions of and receive answers from the Company's officers and representatives concerning the Company's affairs generally and the terms and conditions of my proposed investment in the Shares.

(f) I understand the risks implicit in the business of the Company. Among other things, I understand that there can be no assurance that the Company will be successful in obtaining the funds necessary for its success. If only a fraction of the maximum amount of the Offering is raised, the Company may not be able to expand as rapidly as anticipated, and proceeds from this Offering may not be sufficient for the Company's long term needs.

(j) I am aware of the following:

(i) The Shares are a speculative investment which involves a high degree of risk; and

(iv) There are substantial restrictions on the transferability of the Shares registered under the Securities Act.

(k) Except as set forth in the Memorandum, none of the following information has ever been represented, guaranteed, or warranted to me expressly or by implication, by any broker, the Company, or agents or employees of the foregoing, or by any other person:

(i) The appropriate or exact length of time that I will be required to hold the Shares;

(ii) The percentage of profit and/or amount or type of consideration, profit, or loss to be realized, if any, as a result of an investment in the Shares; or

The foregoing representation and warranties are true and accurate as of the date hereof, shall be true and accurate as of the date of the delivery of the funds to the Company and shall survive such delivery. If, in any respect, such representations and warranties are not true and accurate prior to delivery of the funds, I will give written notice of the fact to the Company, specifying which representations and warranties are not true and accurate and the reasons therefor.

4. Transferability. I understand that I may sell or otherwise transfer my Shares only if registered under the Securities Act or I provide the Company with an opinion of counsel acceptable to the Company to the effect that such sale or other transfer may be made in absence of registration under the Securities Act. I have no right to cause the Company to register the Shares. Any certificates or other documents representing my Shares will contain a restrictive legend reflecting this restriction, and stop transfer instructions will apply to my Shares.
